**IMPORTANT INFORMATION ABOUT PATIENT MEDICATIONS**

Ozanam Charitable Pharmacy is no longer able to maintain a constant supply of Albuterol HFA inhalers.

The brand names for these inhalers are ProAir HFA, Proventil HFA and Ventolin HFA.

These brands are available through their manufacturers on patient assistance programs (PAP).

Patients from the Franklin clinics and Mobile County Health Department will need to apply for these programs through the PAP person at these clinics. If you are a senior over age 55 and up please apply to the Senior Rx Program through the Area Agency on Aging at 251 433-6541.

Other patients can apply for these programs through Judy Kramer at Ozanam Charitable Pharmacy. For more information please contact Mrs. Kramer at (251) 445-0981
